Mr. David Agee
GeoStone, Inc.
PO Box 325
Westover, AL 35185

Dear Mr. Agee,

Arrowhead Country Club is very pleased with the GeoStone retaining walls we recently installed. The GeoStone product provided us with an attractive permanent solution to several erosion issues we had on our golf course. We are especially impressed with structural design, the variety of available colors, and its simple installation.

Arrowhead Country Club would gladly recommend the GeoStone Product to anyone.

Sincerely,

Don Corkran
General Manager
